If you have answered 'no' to any of the above questions, then please give further details:

2.4	Please detail the amounts to be insured below for each premises (complete only if you require property cover).								
	NOTE: The amounts insured you state below should be the full rebuilding or replacement cost in each of the categories. If you understate these amounts you will be under-insuring and we may not pay the full amount of your claim. It is therefore essential that these amounts are as close to the true values of the insured items as possible.								
	Item			Amount insur	red Premises 1	Amount ins	ured Premises 2		
	Main Building:								
	Landlord's fixtures & fittings and tenant improvements:								
	All contents wherever located:								
	Please list any alternative locati	ions in question 3.	7						
2.5	If you have portable electronic equipment (such as laptops, cameras, video equipment) that is either permanently or temporarily away from your premises please state the total value of these items:								
	Please also state the approxima	te percentage of t	he time that th	ese items are away	from your premi	ses:			
2.6		If you have contents other than portable electronic equipment which are either permanently or temporarily away from your premises please state the total value of these contents:							
	Please also state the approximate percentage of the time that these contents are away from your premises:								
2.7	Please detail the amounts to be insured below for business interruption cover (complete only if you require this cover).								
	Note that the maximum indemnity period available is 12 months. You should bear in mind how long it will take you to re-commence trading at another premises when stating the amount insured and indemnity period.								
	We provide our business interruption cover on a 'Flexible First Loss' basis – please specify a total amount insured for business interruption cover. This amount applies regardless of whether your business interruption loss is loss of income, costs and expenses or accounts receivable. This often enables a smaller total amount insured to be specified and therefore often results in a cheaper premium.								
	Item			Amount insur	red	Indemnity p	eriod
